

# The City Farmer's Newspaper Bag 2

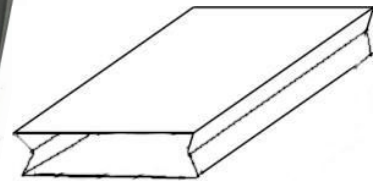

- 1 Fold a newspaper page open and glue the 4 edges (about 1 cm).

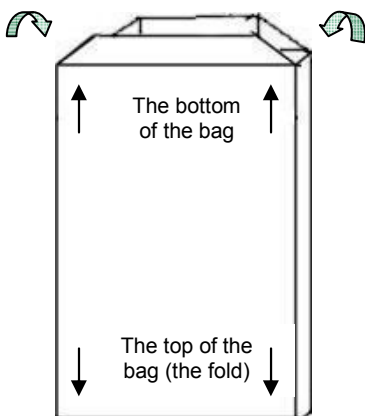

- 2 Fold the newspaper in two again forming a thick piece of paper. The fold will form the top of the bag.

- 3 Fold almost in two till the dotted line. Glue the leftover border, fold this over and press firmly.

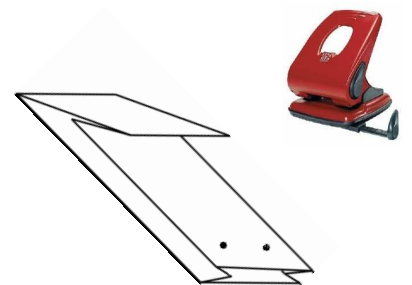

- 4 Make a sharp fold down each side and fold inside.

- 5 Lay the bag on a table. Fold the sides to the inside. Glue the bottom flap.

- 6 Bring the bottom flap over the top flap and glue them together. Fold them back to form the bottom of the bag.

- 7 Make the holes for the string with a punch. Thread the string through the holes knotting them on the inside
